It has been a very busy week in school this week. Zoo Lab with Class 2, Sports Day, Moving up Day and School Council meetings to name just a few. Next week is the final week of this term and the year and classes have all sorts of things planned. Please look at the class weekly updates for more details and Tapestry for photos of what has been going on.

Sports Day

Sports Day went ahead as planned last Tuesday and a fabulous day was had by all when you look through the photos. It was great to see the school doing something together (but still in our bubbles) and sharing a physically active and enjoyable day. I would like to thank all the children for being brilliant on the day, helping each other, encouraging each other and for trying their best. I would also like to thank all the staff for their time organising the events and making the day so successful. If you have not already done so, please look at the photos on Tapestry. The joy and determination is clear to see.

School Council Charity Fun Run

One of our school councillors has suggested that we do a charity fun run to raise money and we are keen to support such a public-spirited attitude. As such, we will be doing a fun run in classes throughout next week (See class weekly updates for details). The older children will run 10 laps of our field (approx 1k) and class 1 children will do 5 laps

(500m) of the field. This adds up to around 100k run by the whole school. Please can families support this by sponsoring their child £1 to complete the run (or a donation of their choice). The money raised will be split, giving half to a charity as chosen by the School Council (WWF) and the other half will make up a little budget for classes to choose their own items to enhance playtimes and give the school council a budget for planning future events. Thank you for your support.

SchoolMoney Arrears

As we approach the end of term, it is important that any outstanding debts for school dinners and Before and After School Club are fully cleared. Please make payment by Friday 23rd July via your SchoolMoney account. If you have any problems logging in, or would like to speak to someone about the arrears, please contact Mrs Flowerdew in the office.

Music In Worship – Give you everything I’ve got.

‘Give You Everything I’ve Got’ is simply a foot stomping, bin bashing, tin can tapping song of praise. It is all about worshipping Jesus in all that we do, in all the different ways that we can and wherever we are!

Have a good weekend, enjoy the sunshine and hopefully I will see you towards the end of the week.
