

Art

At Harewood C of E we value art as an expression of children's creativity.

Our teaching aims to ensure that all pupils are given the opportunity to produce creative work, explore their ideas and record their experiences in a variety of media.

Through well planned and engaging lessons our pupils become proficient in drawing, painting, sculpture and other art, craft and design techniques.

Throughout their time at Harewood C of E, pupils will learn about the history, culture and backgrounds of a variety of artists, craft makers and designers.

As well as enjoying creating their own work, we also aim to give our pupils the vocabulary, skills and understanding to evaluate and analyse the creative works of others.
