## “Educating for Life In All Its Fullness”

Dear Families,

Our Eco-Committee has introduced a new recycling collection in school. In collaboration with *Recycle 4 Charity*, we are collecting printer ink cartridges. We have a collection box in our Library. Once full, we will send it to *Recycle 4 Charity*. In return, while benefitting the environment, we will raise funds to support our curricular activities.

**Ella** from Class 4 and **Millie** from Class 3 are the children in charge of collecting empty ink cartridges from every class. They are on collection duty every Thursday however, they're always available at playtime for any questions your child may have.

If you have any ink cartridges you'd like to dispose of at home or at work, please send them to school and Ella and Millie will make sure they will be correctly and efficiently recycled.
