“Educating for Life In All Its Fullness”

1st July 2022

Dear Parents and Carers,

This afternoon, due to the Summer Fair we are not having a Celebration Assembly. This will resume next week. The newsletter is also out early this week for the same reason. School is going to be an even busier place than normal today with helpers setting up for this afternoon. We just hope the weather is kind to us and that the fair is a success. It has been a lot of work to get things organised and I want to thank everyone who has done their bit.

The summer fair starts straight after school this afternoon as I'm sure you are aware. There are lots of stalls, games and activities for everyone. Please come along, help out, enjoy the chance to get together again after a long gap since the last fair. It will be great.

(Please remember there is no After School Club today)

Class 3 Football

Yesterday afternoon our Class 3 boys played a match against a team from Crossley Street Primary. This was the first home game for us in a very long time. The team were great. They really pulled together, worked as a team and showed off their skills. They were really unlucky not to win and were in the lead with only a couple of minutes to go. The final result was a very high scoring draw (7:7 I think!). Well done Class 3.

End of year concert

During the year, a good number of our children have been having music lessons with Mrs Jarvis each week. These children have put in a lot of effort in lessons and time at home and they are keen to be able to show off what they have learnt. We thought the best way to do this was for them to put on a concert for us all.

On Friday 15th July (probably starting at 2pm but this will be confirmed) our musicians are going to perform for the school and any parents who would like to join us. In addition to this, each class is going to perform a song that they have been learning, so all the children in school will be involved in some way.

We are looking forward to being able to show off our musical talents.

100 Club June Draw.

The draw was made for the June round of the 100 Club earlier this week. The luck winners are:

- 1st – No.60 - Edwin King
- 2nd – No.30 - Joshua Dobson
- 3rd – No.11 - Sienna Farber

Bags2School

Next Friday is the next Bags2School collection organised by the PTA. If you have unwanted clothing, old clothing or other textiles, these can all be sent. The collection is usually fairly early on a morning so any donations need to be brought for drop off time.

'Wellbeing Statement of the Month'

July 2022

As we are now at the beginning of July Mrs Reynolds has found us another great, thought provoking quote to reflect on. Kindness however small really counts.

Music In Worship - Don't Worry – Melanie Penn

This week's song is called 'Don't Worry' by Melanie Penn. Melanie Penn is a Christian singer-songwriter who lives in New York City. She wants to help people through her powerful lyrics. She is also a theatre performer and visiting worship leader at many different churches in New York.

The video for this song is set in Central Park in New York with friends dancing. This is an upbeat song of hope and friendship that makes you want to dance and sing! It is important to value each other and to treat each other with respect and kindness. This week, think about how you act and speak to your friends, family and people at school. Every day is a good day if you can be kind to someone at every opportunity.
