'Educating For Life In All Its Fullness'

13th November 2023

Dear Families,

We are delighted to be able to say that as part of our Christmas celebrations this year, we have arranged for the whole school to go into Leeds to see the St George's Nativity performance on Friday 24th November, as we did last year. As a school, we have supported St George's Crypt over many years with things like our harvest offerings and special collections. Their youth worker team have also come to Harewood to deliver workshops and themed worships as they did before Easter this year.

This year, the production is called 'Part of Our World' and is a uniquely scripted stage production of the Christian Nativity story aimed at primary age children. It should be a lot of fun, as well as starting off our Christmas celebrations in a fantastic way.

We will be leaving school late morning and returning to school by about 1.30pm for a late lunch. To help with the later lunch, we ask that you send your child with a mid-morning snack, which they can have before leaving, to tide them over until we return to school.

It is great that the whole school is able to go on a trip together and we are really looking forward to it. Whilst the tickets to the nativity have no cost, there is a cost associated with transporting us all to and from Leeds. The PTA have kindly offered to subsidize this cost but we are also asking families to make a voluntary contribution of £3 to enable this to happen. **Please log into School Money in the usual way to give consent pay the contribution for your child.**

Class teachers maybe in touch with families to request volunteers to help us on the visit. If you are interested and able to join us, please look out for messages via the class weekly updates.

Yours sincerely

Mr Ratcliffe
