Food Allergies

Allergies to food are a very serious issue for us in school. Our school kitchen make sure that procedures are in place to safeguard those children in school with specific allergies and needs. This is not an easy task for them.

Whilst the vast majority of children have a school lunch, there are a number of children who bring packed lunches each day. If you are ever sending food into school, it must not contain nuts of any type. We have a number of children in school who have serious nut allergies and we want to avoid any potential contamination of foods or the areas where they are eating.

Please also remember that the nut free rule applies to playtime snacks, which is one of the reasons we say this should be fruit.

Thank you for your support with this.

Extra-curricular Clubs

This week saw the start of more of our summer term clubs. The list of the clubs was published to families before Easter and includes the usual Sports and Drama, but there are also clubs for Drawing, Chess, recorders and Gymnastics. Some of the clubs still have spaces. Please look on School Money to see what is available for your child if you are interested in taking up a place.

Staff Vacancy

The closing date for our current staff vacancy is next Tuesday. If you are interested or know of anyone who might be, please have a look at the full details available on the link below.

IT IS OKAY TO

'Wellbeing Statement of the Month'

April 2024

Nobody is perfect. We all have hard days and that is ok. We learn and move on, often by starting again.

Collective Worship Music - Feels Good (Upbeat Song) – Rend Collective

This week's song is called "Feels Good" by Rend Collective. 'Feels Good' is simply a wonderful song that does in fact make us feel good. However, there is a deeper meaning to this song – the message is that despite our differences, we are all human beings and when we come together, we can overcome the forces that sometimes try to divide us.

One of the lines is 'It feels good when we belong' – it is important to remind ourselves that we do belong together, whether that is to our families or to our school family. We are all different and when we pull together, we can reach for the stars! Some of the lyrics say;

"When we see our differences as a work of art, the world is brighter."

There are many differences between us all from our appearance, our characteristics, our strengths and weaknesses but if we all work together as a community and use our strengths, who knows what we could achieve!
