Thank you to Mrs Burnley this afternoon for stepping in and leading our Certificate Assembly, whilst I was out of school. Next week we will be having this assembly on Thursday afternoon at 2.40pm rather than Friday. This is to allow Year 6 to do their leavers performance for their families on the Friday afternoon, which is their last day in school.

Summer Concert

A massive thank you to all the children who took part in the concert yesterday afternoon, the individual musicians and the class singers. Everyone performed brilliantly and did themselves proud. Although we could not be outside this year, we still managed to get everyone to perform. If you missed this, or would like a look at some of the photos, I will be uploading some to the school website over the weekend. <https://harewood.leeds.sch.uk/gallery/>

School Money Accounts

As we are approaching the end of the school year, please can families log onto School Money and check that any outstanding balances are paid before the end of term. Most balances are fairly small but some include music tuition fees and other payments which were due a good while ago. Mrs Flowerdew would like to be able to start the new school year with all balances clear.

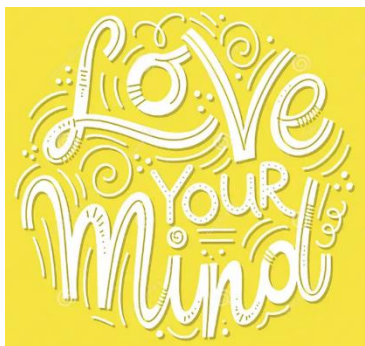

If there is a problem with this, please contact the school office.

School Council News

If you have not heard, our school have put together an end of year newsletter with the things that they have been up to and a number of competitions and puzzles to try. These have been on sale this week for £1 and there are still some available of you would like one. All proceeds will go towards future School Council events and activities.

Drama Den

Mrs Reynolds would like to remind families that there is no Drama den next week as it is the final week of term. She has also requested that any outstanding payments are settled. Thank you.

Collective Worship Music - Feeding the 5000 - Wimbaloo

This week's song is called 'Feeding The 5000' by Wimbaloo. The song 'Feeding the 5000' tells the amazing story of how Jesus fed a huge crowd with just a little bit of food. In the Bible, there's a parable where thousands of people are listening to Jesus teach, and they get very hungry. But there are only five loaves of bread and two fish. Jesus takes this small amount of food, thanks God for it, and then miraculously makes enough to feed everyone, with leftovers to spare! This song reminds us of Jesus' incredible power and kindness. It teaches us the importance of generosity and to have faith that God can do amazing things, turning our small offerings into great blessings.
