Weekly Update for Class 4

Week beginning 16 September 2024

The past 2 weeks have been very busy in Class 4! The children are very settled and eager to learn.

We're enjoying reading our class text *Who Let the Gods Out*, we're exploring the main characters and practising comprehension skills, with a particular focus on vocabulary, summarising and inferring. Next week, we'll learn all about Prisoner 42!

In Maths, we're exploring numbers up to 10,000,000. We've learnt how to read and write them and we've practised how to efficiently partition them. We've also practised powers of 10 when multiplying and dividing numbers by 10, 100 and 1,000.

Class 4 children love learning about Ancient Greece. This week, we've learnt about Gods and Goddesses. We learnt how to recognise them when represented in archaeological findings and they have also designed amazing posters representing them.

We are exploring Creation in RE. We've read a passage from the book of Genesis and have visually recounted it.

Volunteer in Class 4

Every Wednesday, we have the pleasure of having Mrs. Matthews in Class 4 helping groups of children with reading, spelling and handwriting activities. Mrs Matthews has volunteered with us for over a year and we're very grateful she's dedicating her time to supporting our children.

Weekly Homework

In Maths, Class 4 children will consolidate powers of 10 (year 6) and partitioning (year 5). In English, they've received the third set of spellings about "Modal Verbs". They've also received 9 statutory spellings to practise during Autumn 1. Thank you for supporting your child complete their homework.
