# 'Educating For Life In All Its Fullness'

## Weekly Update for Class 4

### Week beginning 14 October 2024

The past two weeks in Class 4 have been very exciting! Firstly, we welcomed Kailan who joined us two weeks ago and settled well in his new school. Welcome to Kailan and the Patel family!

The school trip to Leeds City Museum was very interesting and inspired children to learn more about Ancient Greece. In class, we learned more about our current history topic focusing on Alexander the Great, a hero Class 4 loved learning about.

I am very impressed with the writing skills our children are demonstrating. They re-wrote chapter 7 of Who Let The Gods Out from Thanatos' perspective. They created an engaging story by varying the rhythm of the text and conveying emotions. We practised and applied dialogue skills too to make the text more entertaining.

#### PTA Christmas Cards

We completed our PTA Christmas cards this week, a copy of children's work is in their bag. If you'd like to order any cards, please, return the form and the attached design by Monday 21 October.

#### Trip to Harewood

On Monday, we're going to Harewood for our Autumnal Environmental trip. We democratically decided that the children will be allowed to wear their own clothes or their PE kit, as long as their outfits are suitable for outdoor activities.

#### Herd Farm Residential

The children have received a letter containing information about Class 4 Residential 2025. A copy of the letter is attached to this email too. If you'd like your child to join us, please pay the deposit by 3<sup>rd</sup> November 2025. Thank you.

#### Weekly Homework

Children will complete spelling tasks about words ending in -able; a maths worksheet about multiples and practise their times tables on TTRS or timestables.co.uk. They will also complete all the outstanding spelling work in their books - I've noticed that there are many worksheets in their books not completed yet – and complete any outstanding tests on Maths.co.uk. Class 4 children know that I will check their homework after half-term.

#### Celebration Assembly

Many congratulations to **Emily C.** for her Wonderful Work and to **Kailan** for his Brilliant Behaviour!

|                                 |  |
|---------------------------------|--|
| Monday 21 <sup>st</sup> October | Class 4 - Harewood Environmental Visit |
| Thursday 24th October           | Final day for pupils                   |
| Friday 25th October             | Training Day                           |

Have a lovely weekend,  
Mrs. Wright
