AGM News

On Friday 27th of September we held our AGM and went through our accounts and everything we've done last year, any pending matters and our fundraising achievements.

Some of the resources funded by the PTA last year include: outdoor chess mat, class 2 carpet time rug, Christmas treats and crafts, costumes for school performances, help towards cost of school trips and transport, Year 6 leavers meal, and support for initiatives such as Young Voices and Archbishop of York Awards.

All of this thanks to our amazing group of volunteers, the generosity of school families supporting our events, and local businesses who wished to sponsor us in different ways.

Special thanks to Emma Silverton (Secretary) and Nicola Dobson (Treasurer), both of whom will kindly continue in their PTA roles after the current committee was officially re-appointed.
