Educating For 'Life In All Its Fullness'

Weekly Update for Class 4

Week beginning 18 November 2024

In the past two weeks, we've been sharing the work the children completed on Black History Month. There is such a variety of work from presentations to vlogs to posters celebrating people who inspire us for their determination, courage and creativity. We will continue to share children's work in the next few weeks as Black History Month is not only an October occurrence!

In English, children are writing the most creative Guides to Unicorns and Flying Horses. After designing their characters, examining features of a non-chronological text and learning new sentence structures, Class 4 children are challenging themselves in applying all the skills learnt so far to create a unique and well-written guide to inform their audience.

In Maths, we've learnt how to solve long multiplication and we're focusing now on divisions, including solving divisions using their knowledge of factors. Please, encourage your child to complete their weekly homework to reinforce division and multiplication skills.

Children have completed their post-topic assessment on Ancient Greece and showed their knowledge on various topics, from philosophers to key battles to the impact Ancient Greece still has on modern society.

Class 4 children are enjoying Computing lessons taught by Mr. Ratcliffe. After producing excellent posters on Modern Greece, they're experiencing many "wow" moments learning to use *MSWLogo*. Thank you, Mr Ratcliffe, as they've never loved computing so much!

Celebration Assembly

Many congratulations to **Alfred** for his **Brilliant Behaviour** and attitude towards learning and to **Alice** for her always-well-presented **Wonderful Work**.

Weekly Homework

This week, Class 4 children will read **chapter 14** of *Who Let The Gods Out* and complete comprehension tasks – the questions are in their Orange Books – we will discuss their answers the following Friday. Children have also received their new **spellings** (Word families) and a new set of statutory spellings for Autumn 2. In **Maths**, children will complete multiplication and division tasks.

Friday 29th November	Whole school Nativity Trip - morning
Wednesday 4th December	MindMate Workshops
Tuesday 17 th December	Visiting Harewood at Christmas (morning only) – information to follow
Thursday 19th December	Christmas Dinner Day
Friday 20th December	Last day of school before the Christmas break

Have a lovely weekend,
Mrs. Wright
