Herd Farm Class 4 Residential 2025

Dear Parents/Carers

We are really pleased to announce that next April we are able to take Class 4 to Herd Farm for their annual residential. It will take place from **Wednesday 23rd to Friday 25th April 2025** which is earlier than normal but has been planned this way to avoid clashes with things like High School Transition Days, SATs and all the other things that happen in the summer term.

The children will have a full programme of activities starting Wednesday afternoon, all day Thursday and Friday morning before finishing Friday afternoon. Our accommodation will be a self-contained with only our school using the accommodation block.

The cost of the visit will be £215 which includes all activities, accommodation and food. In order to allow families to budget for the trip we will be setting up an initial deposit of £55 plus 4 further payments of £40 spread through the rest of the year. These will be broken down as follows:

| | | |
|------------------|------------|---|
| Deposit | £55 | Payable by Sunday 3rd November 2024 |
| Payment 2 | £40 | Payable by Sunday 1st December 2024 |
| Payment 3 | £40 | Payable by Sunday 2nd February 2025 |
| Payment 4 | £40 | Payable by Sunday 2nd March 2025 |
| Payment 5 | £40 | Payable by Sunday 6th April 2025 |

To confirm a place for your child on the residential, please can you log into your School Money account before Sunday 3rd November to pay the initial £55.00 deposit and to give consent for your child to attend.

If at any time making the payments is a problem, please contact school and speak to us rather than just missing a payment. There may be ways in which school can help.

Many thanks

Mrs Wright
Class 4 Teacher
