

Dear parents,

We are just sending a brief update firstly to say what a pleasure it has been to teach your children this term and also to thank parents for the kind and generous gifts and cards. Thank you so much!

This week has been another great week in Class 3 with the Nativity today being a real highlight - I'm sure party day tomorrow will be another one! We were so proud of the children with their song today... it was a very difficult melody to learn, particularly having to sing the US melody for Away in a Manger at the end! Well done Class 3! Last week's visit to Harewood House for their Christmas tour was another great experience for the children too - the augmented reality / projections are incredible!!

#### Homework update

Please keep reading with your children - it is the most powerful thing you can do to support their learning. There is no official homework, however, as it's been a very long term and the children have only had one week's break since the summer holidays! It's a time for being with family and for rest and recuperation.

#### PE days update

Next term there will be no swimming and our PE days will be on Tuesday and Thursday so they should come in PE kit on these days.

I would like to offer everyone best wishes for a lovely Christmas / family time and also to wish you all a very Happy New Year.

Kind regards,

Mr Sturgess and Mrs Miller
