# Educating For 'Life In All Its Fullness'

## Weekly Update for Class 4

### Week beginning 27 January 2025

We are having very productive days in Class 4: children continue to be settled, focused and have nice break times with their friends.

In English, Class 4 wrote Charles Darwin's biography and enjoyed challenging themselves using formal language, technical vocabulary and more challenging punctuation, such as semi-colons. We have also started a new topic, poetry, based on our class novel, Kensuke's Kingdom. Today, we wrote a poem in couplets using vocabulary to convey emotions.

I am very proud of the work Class 4 is completing in maths. This week, we learnt how to add and subtract fractions, including mixed numbers. The children are completing excellent work and are showing great resilience when solving complex tasks.

In geography, we have completed the topic of biomes, climate zones, and vegetation belts and are currently focusing on reading and using maps.

The weekly practice for Young Voices is going very well, the children are becoming increasingly more excited about the upcoming concert. Thank you for signing and returning the form attached to the letter sent last week.

### Celebration Assembly

Congratulations to **Louis** for his Brilliant Behaviour and **Eli** for his Wonderful Work!

### Homework

This week, Class 4 children will:

1. Practise the new spellings (words ending in -ise) including the 9 statutory ones.
2. Complete an online Maths test on adding and subtracting fractions.
3. Complete a reading comprehension task (Test 4 for year 6 children and a worksheet for the year 5 children).

Date	Event
WB 3rd February	Children's Mental Health Week
Friday 7th February	<i>MindMate</i> Workshops (Managing Emotions)
WB 10th February	Book Fair Week
Thursday 13th February	Young Voices Concert
Friday 14th February	School closes today for the half term break

Have a lovely weekend,  
Mrs Wright
