Educating For 'Life In All Its Fullness'

Weekly Update for Class 4

Week beginning 3 March 2025

A big well done and thank you to Class 4 for being enthusiastic and very organised for World Book Day. They had amazing (coordinated) costumes, read to younger children and swapped books with others. They made colourful masks inspired by their favourite book characters.

We finished reading Kensuke's Kingdom and wrote book reviews about it. This is one of the children's favourite class novels as they found it very emotional and relatable too. This week, in English lessons, children have focused on improving their SPaG skills, particularly punctuation and verbs.

In Maths, we've worked on decimals and percentages. Today, we started a new topic, properties of shapes, and learned how to accurately measure angles with a protractor.

In Science, we're learning about types of forces. This week, we made parachutes to investigate air resistance.

We continued to explore Human Rights in PSHE and we learned about the UN Convention on the Rights of the Child and Homelessness. It is such a pleasure to reflect on such key themes with Class 4 children as they are always very mature and interested in understanding and analysing the world we live.

Celebration Assembly

Congratulations to **Joseph** for his excellent attitude and Brilliant Behaviour and to **Sachin** for his Wonderful Work!

Homework

Children have received the following homework:

1. Practise the new spellings including the 9 statutory ones.
2. Complete any outstanding and new online Maths tests (Y5 and 6) and a booklet on percentages for year 6 only.
3. Complete any outstanding SPaG test online (year 6 children only).
4. Complete reading comprehension tasks (2 reading tests for the year 6 children and 1 printed booklet for the year 5 children).

Every week, Class 4 children receive online homework, new spellings and printed booklets that they have in their orange books. They are also reminded to complete their homework on a daily basis.

| Date | Event |
|---------------------------|--|
| WB 17th | Down Syndrome Awareness Week |
| Thursday 20th March | PTA Bun Sale (Class 2) |
| Tuesday 25th March | Diversity Workshops |
