# Educating For 'Life In All Its Fullness'

## Weekly Update for Class 4

### Week beginning 31 March 2025

Thank you, parents, for making the time to see me in the past two evenings; it is always a pleasure to talk to you about the progress your lovely children are making, personally and academically.

In the past two weeks, we have worked very hard in Class 4, I am impressed with the children's resilience and positivity towards their daily challenges. It is essential that they continue to work at home during the holidays. This morning, I spoke to Class 4 and showed the homework for the next 2 weeks. I expect to receive the homework on Monday after the residential.

#### The homework consists of:

- Maths tests for Y5 and Y6;
- SPaG tests for Year 6;
- spellings for Y5 and Y6;
- 2 reading tasks for Y5;
- 2 reading booklets (6 texts) for the Y6.

I am not sure they welcomed the homework with enthusiasm but they understood the importance of keeping up the good work!

In class, we completed some lovely work to be proud of. In English, we worked on editing the story about the Black Hat, from the protagonist's perspective. We also practised further how to use the passive voice, colons and semi-colons.

In Maths, we learnt various topics from ratio and algebra to measurements and properties of shape.

In preparation for the Easter celebrations, the focus of our RE lessons has so far been forgiveness.

#### **Dermot O'Leary trip**

On Tuesday, 22nd April, we will go to Gateways to see Dermot O'Leary. We will set off at 9:00 am, so please ensure your child is in school on time. The event will last approximately 1 hour.
