'Educating For Life In All Its Fullness'

1 May 2026

Dear Families,

We have had a very busy and exciting week in school!

Today's trip to Harewood Estate was fantastic. The children enjoyed investigating the signs of spring, learning about animal care and farm management, and discussing ways we can take action to support wildlife and their habitats. Everyone represented the school brilliantly and showed great enthusiasm.

Back in class, we have started reading our new class text "Rooftoppers". The children have also completed a range of grammar and comprehension activities linked to the text.

Year 6 have been working extremely hard, revising for their upcoming SATs exams. Meanwhile, Year 5 pupils, with Miss Ali, have been learning more about how to calculate angles in 2D shapes and have shown great focus and determination.
