'Educating For Life In All Its Fullness'

15 May 2026

Dear Families,

This week has been a truly memorable and inspiring one for our school community, filled with pride, perseverance and positivity.

Our Year 6 pupils have successfully completed their SATs, and we could not be prouder of the way they approached this important milestone. Throughout the week, they demonstrated resilience, determination and a positive attitude. They tackled each challenge with maturity and focus, supporting one another and showing a strong sense of responsibility for their own learning.

Their calm approach, hard work, and confidence have shown us all that they are more than ready for the next step in their journey—transitioning to high school. They have been fantastic role models for the rest of the school, and we congratulate them on their efforts and achievements.

Meanwhile, our Year 5 pupils have also made us proud. With a disrupted timetable and the experience of working with different teachers, they have shown adaptability, independence and super behaviour. They have continued to work hard in all lessons, maintaining focus and enthusiasm despite the changes to their usual routine. Their positive attitude and willingness to embrace new situations reflect their growing maturity and readiness to take on the responsibilities of being the oldest year group next year.

To celebrate, today Year 6 enjoyed a well-deserved treat. After watching a wonderful performance of *The Railway Children* with everyone else in school, they engaged in a fun drama workshop. In the afternoon, the celebrations continued with a "golden time" afternoon in class giving children the opportunity to relax and enjoy time together.

Well done to both Year 6 and Year 5 for such a successful week!

Our Class 4 Star Pupil trophy has been missing for a few weeks. We would be grateful if you could please check at home to ensure it has not been taken there. Thank you for your support.

Children have received a new set of weekly and statutory spellings to practise daily during the week, at home and in class.

Y5 children have received their usual reading activity and I have set an online test on Maths.co.uk. Y6 children will practise "How to have a proper rest", they deserve it!
