AGM News

We had our Annual General Meeting on Friday the 18th of September, a chance to review our activities and also to welcome new volunteers to the PTA team. We went through our accounts and events, any pending matters and our fundraising achievements.

Some of the resources funded by the PTA last year include: part funding the crafty cottage refurbishment, class money for teacher's wish lists, whole school nativity trip, visiting theatre production at school, Christmas treats and crafts, and leavers disco amongst other.

All this thanks to our dedicated group of volunteers, the generosity of school families supporting our events, and local businesses who wished to sponsor us in different ways.

A key highlight of the meeting was the appointment of two new members to the PTA committee: Sarah Wallace as Secretary and Rod Brown as Treasurer. Fara Garrick was elected to stay as the PTA Chair for another year.

Nicola Dobson and Carolina Lascelles have stepped down after many years of working with the PTA, but they will continue to support school and the association as regular volunteers while ensuring a smooth handover.

Please show your support to the new committee and thank you to all our amazing volunteers, we are looking forward to an exciting year ahead!

Thank you all,

Team PTA
